

0% VAT STATEMENT FOR 2020

Application of item A.4 (objects related to the exploitation of a vessel) of the law Value added Tax 1968 related table II (zero rate) for (inland) deliveries of goods for vessels as described in item A.3.

The vessel owner/manager declares that the vessel as mentioned above has a known exploitation history, is commercially used for 100% and for at least 70% the journeys in 2019 took place on international waters.

Vessel :

Ship owner :

Address :

VAT number :

IMO number :

The exploitation history is based on 2019, if a known exploitation history is not applicable (for instance because it is new build (finished and ready for use!) or the vessel is bought recently) the declaration is based on the intended use of the vessel.

Please choose one of below options

A: In 2019 at least 70% of the travelled distance took place on international waters

B: In 2019 at least 70% of the journeys took place on international waters

C: In 2019 at least 70% of the time the vessel was in operational use it was located on international waters

D: Over the period 2015-2019 on average the 70% criteria was applicable based on option A, B or C

Yours sincerely,
